All Things Big

PROGRAM

During the tour, current architectural developments, urban contexts, social and cultural backgrounds will be discussed in an enjoyable and informative way.

- Visit the presentation centre of the government-owned development company Nakheel to get to know all about the Palm and The World Islands projects. These will be presented and discussed with the aid of models and satellite plans.
- Reach Aquaventure Waterpark via Monorail followed by a short tour and explanation of the iconic Atlantis The Palm Hotel.
- Explore Dubai Marina, a city within the city, Marina Walk and Jumeirah Beach Residence with guidance.
- Enjoy Souk Madinat Jumeirah which successfully mimics the style of the traditional Arabian Markets. After a comprehensive tour through the compound with its canals and palaces, break for lunch (lunch not included in tour).
- Visit the Business Bay presentation centre and tour through this vast construction site where more than 230 towers are planned. 60 towers are currently under construction.
- Move on to Dubai International Financial Center (DIFC), which has attracted high-profile companies from all over the world. The architecture of the American-English office, Gensler, gives the DIFC area an appearance of the highest international standards.
- Experience Burj Khalifa & the observation deck "At the Top" at level 124. Designed by Skidmore, Owings and Merrill, Burj Khalifa is the tallest structure in the world (828 meters high).
- Explore Downtown Dubai. Surrounding Burj Khalifa, master developer Emaar has created Dubai's new downtown ensemble, complete with the world's largest shopping mall and a new 'old town' quarter. Walk around the central lake and enjoy the Dubai Fountain show.
